Rev. Michael Mather  
609 East 29<sup>th</sup> Street  
Indianapolis, Indiana 46205

Rev. Mather,

This letter is written in support of Broadway United Methodist Church and the Miracle on 29<sup>th</sup> Street. The Twenty-first Century Scholars Program works to improve the number of Indiana residents entering into and completing college. Eligible families enroll 7<sup>th</sup> and 8<sup>th</sup> grade students into the program. Students adhering to the Twenty-first Century Scholars Program Pledge receive tuition scholarships to Indiana colleges, universities, and eligible proprietary schools.

The premise of this program mirrors that of the Miracle on 29<sup>th</sup> Street in that the program seeks to raise and support the aspirations of parents and students. Central to the philosophy is that, when supported, families and communities thrive.

Realizing that encouraging and supporting aspirations is a formidable endeavor, the Twenty-first Century Scholars Program seeks to partner with all entities that are courageous and creative.

As educational success is the primary goal of the Twenty-first Century Scholars Program, this office and the Central Indiana Support Site located on the campus of JUPUI will partner with Broadway United Methodist Church sharing in the goal of bringing the Miracle on 29<sup>th</sup> Street to fruition.

Sincerely,

A handwritten signature in blue ink that reads 'Seana Murphy'.
